Summary

Hello Members/Connections , I am having my Bachelor's degree in Computer Science and Engineering From Tezpur University. I am an avid learner .

I am an aspiring computer scientist with a love for turning lines of code into impactful solutions. With Keen Knowledge in C++ and Python , I am currently diving into Data Structures And Algorithm and also Full Stack Web Development with hands on MERN stack (MongoDB , Express Js , React Js , Node Js).

While I love working in software, when not at work, you can find me in the great outdoors. Looking for a role at a mission-driven company where I can share my expertise .

Excited to connect with fellow tech enthusiasts and contribute to cutting-edge projects.

Let's code the future together !!!
